

REAL ESTATE VALUE AGGREGATION AND MAXIMIZATION PROGRAM

Innovative Solutions for Real Estate Financing and Wealth Creation

Real estate value aggregation and maximization programme(revaamp) is a programme that was designed and developed by a seasoned lawyer with more than three decades of experience in real estate law and investment. The programme through its 16 schemes supported by several fit for purpose agreements, purpose built Software Applications, several ancillary agreements, guidelines, policies, several transaction documents and a promotional book was developed with the core mission of promoting Employment, Wealth Creation, Financial Inclusion, General Public Awareness and Value Re-Orientation through Real Estate businesses.

Core Objectives

- i. Providing de-risked opportunities for all adult Africans to participate and earn money from Real Estate businesses across Africa.
- ii. Providing end to end solutions for all type of transactions within the Real Estate Value Chain.
- iii. Providing innovative financing solutions for Real Estate investments and developments.

Implementation plan

With the aid of its purpose built software applications and other intellectual property assets, the programme is designed to be implemented by Revacom (Real Estate Value Aggregation Company) and other members of the Adasomi and Revacom Consortium in the whole of Africa through a well designed cooperative system that is sustained by collaborations and partnerships with critical stakeholders.

REVAAMP EQUITY RELEASE SCHEME

As the name suggest, this scheme is a stop gap solution for unlocking capital from property/properties already listed for sale.

REVAAMP SECONDARY TITLE SCHEME

This scheme was developed as a solution to solve the housing deficit problem in Africa. It is a scheme that enables all Africans to own fractional interest in Real Estate no matter how much funds they have at their disposal.

REVAAMP ROOM VOUCHER SCHEME

This is a scheme developed for marketing of Hotel Rooms all over Africa. Under the scheme, a subscriber of Revaamp Room Voucher will pay less for Hotel room in addition to receiving cash reward for every night he or she lodges at any Revaamp Partner Hotel.

REVAAMP PROJECT MANAGEMENT SCHEME

This scheme was developed to solve the the problem of lack of trust and delays in projects completion and delivery.

REVAAMP MORTGAGE SCHEME

The Revaamp Mortgage Scheme through its Lease To Own Mortgage Solution was developed to address the problem of mortgage and housing deficit in Africa. Its development was inspired by two traditional practices in most African societies i.e. Esusu (monthly contributions) and the age long practice and support system of community members coming together to build houses for one another

REVAAMP GLOBAL INFRASTRUCTURE SCHEME

This scheme was developed as a solution for financing public infrasture such as hospitals/medical facilities, markets, motor parks/bus terminals, hotels schools, etc. Additionally, the scheme also enables the easy funding of site and services projects.
